

TRANSCRIPT: “What to Expect”

Because WOLD is a Deaf Church, you can expect to see a lot of sign language! If you are a Deaf person, you can expect to see & meet other people like yourself. You will feel comfortable, and you will feel like you can relate.

If you are Hearing, and you’re learning sign language, WOLD is a good place for you to come! Guaranteed — you will learn & pick-up more!

If you don’t know sign language, come anyway! You will learn from the experience, and you will feel inspired from the warm community we have!

Our worship service has liturgy (an order of service) projected onscreen, which you can read & follow. We have no voice interpreters, but most times, pastor has copy of sermon to give you.

Come early for worship — enjoy the coffee fellowship before the service.

If you’re watching my v-log video now, tell me! Come to church, and tell me, *“I saw your church website v-log, and I’m here!”* It will thrill me to know you saw it and came! So, come!
